

The Spin Doctor Advantage...

Spray Booth Energy Savings

Paint both sides of panels at the same time, eliminating two bake cycles!!!

Panel Edging

No need to edge panels. Save time. Eliminating the edging process saves man hours, material usage and cuts booth time in half.

Panel Damage

Eliminate panel damage. Doors, hoods, deck lids do not have to be rolled around on stands.

Door Skins & Panel Assembly

Absolutely no damage will occur to door skin during installation because it never comes in contact with a stand. Door can be re-assembled, painted and buffed while attached to the spin doctor.

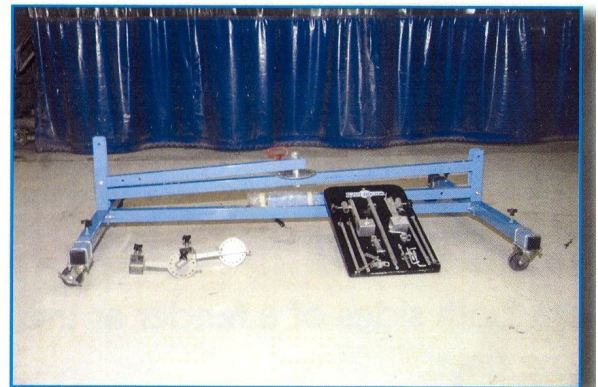

Maneuverability

Handling of any panel is a one person job while attached to the Spin Doctor. It rotates a full 360 degrees and locks in 16 different positions.

Made in America
